March 2020

Dear Member,

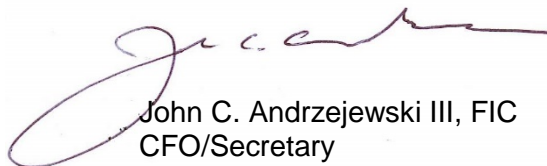

Recently the PNU gained the ability to draw premium payments direct from an individual's checking or savings account. A convenience such as this makes premium payment easy and simple.

In order to take advantage of the premium direct withdrawal I have enclosed an authorization agreement for automatic payments. Should you decide to use this service please complete the enclosed form and return it with your current premium payment. Once received the PNU home office staff will establish a withdrawal schedule and the next due premium will be direct debited from your designated account. Once the form is complete please sign it at the bottom. Unsigned forms will not be processed and a new bill will be sent for the next premium due.

Please feel free to contact the home office at 1-800-724-6352 should you have any questions or require any assistance with the authorization form.

Thank you for considering this new service.

Fraternally,
